## Editor's Note

Every effort has been made to ensure an accurate reflection of each donor's name and contribution.

If an error has been made, please accept our heartfelt apology.

Welcome to the 61st Annual Phantom Ball!

Through your generosity, we are honored to be able to accomplish our mission of enhancing the quality of life for the children and adults served by Parc Center for Disabilities.

This year's Phantom Ball raised over \$14,000, which will be used to purchase a portable lift motor and overhead tracks. This will be installed in the Bert Muller Home to assist Parc team members in lifting residents in high use areas.

Last spring, we hosted "Hollywood Dream Lights". This was a red carpet event for all of the adults served by Parc. This was a magical evening of friends, fun and dancing. All the guests enjoyed the DJ, photo booth, dancing and being with their friends.

Thank you for your continuing support.

Dear Friends,

Sixty-one years the Phantom Ball “event” has consistently raised critical funds for ParC Center for Disabilities. Thank you for supporting this year’s event. It is truly the cornerstone of the Larc, Parents, Guardians & Friends fundraising efforts.

This past year, thanks to the unwavering support of Larc – Parents, Guardians & Friends of ParC, over \$25,000 directly benefited our participants in so many ways:

- Furnished our new Senior Wellness Center, creating a comfortable & welcoming space for aging individuals in our care.
- Sponsored the Hollywood Dream Lights Dance, giving our adult participants the chance to shine, dance the night away, and create cherished memories with their friends and families.
- Supported holiday celebrations, ensuring our participants experienced the joy of the season in beautifully decorated festive environments.

These are examples of the difference your support makes. Every dollar raised through the Phanom Ball translates into life-enhancing opportunities and experiences for those we serve.

I am happy to report that we officially broke ground on our new Children’s Services Center, and we have raised 7 million dollars of the 10 million dollar goal for the **Raise the Roof Capital Campaign**. In 2024 we served 956 individuals in our community. Your support is helping us continue this vital mission for so many. If you have not had the opportunity yet or if it has been a while, I encourage you to visit us for a tour to see firsthand the lives you are touching through your generosity.

Warm Regards,

Michelle Detweiler  
President & CEO
